

Report on
An Online workshop
On
“Project Management Tools – JIRA and Trello”

For

All Students and Staff of IT Department

On

25th March 2023 (Saturday)

Organised by

Professional Development Activity (PDA) Committee

Society for Computer Technology and Research's
Pune Institute of Computer Technology
Sr. No. 27, Pune-Satara Road, Dhankawadi,
Pune, Maharashtra 411043. (www.pict.edu)

Report:

An online workshop on “Project Management Tools – JIRA and Trello” for all students and staff organized by Department of Information Technology, Pune Institute of Computer Technology, Pune.

To: Department of Information Technology, Pune Institute of Computer Technology, Pune

From:

1. Mr. Sachin Pande, Head - PDA
2. Ms. Amruta Awati, Team Member -PDA
3. Ms. Anuradha Yenikar, Team Member -PDA

Date and time of conduction:

| Session no. | Date and Day | Time |
|-------------|--|----------------------|
| Session | 25 th March 2023 (Saturday) | 09:30 am to 12:45 pm |

Mode of conduction: Microsoft Teams.

Fees: No fees for attendees.

Number of Registrations: 184

Organized by: Mr. Sachin Pande, Head – Professional Development Committee, Department of Information Technology, Pune Institute of Computer Technology, Pune.

Speaker’s Short Profile:

Mrs. Amruta Patil.

- Assistant Professor, PICT, Pune
- 10.5 years of Industry experience in IBM, Barclays and Cognizant.

The objectives of an Online Workshop

- To learn the mostly used Agile Framework.
- To learn project management tool called JIRA and Trello
- To have hands-on on JIRA and Trello tools

The outcome of the Workshop

- Participants will be able to improve project management skills and familiar with the agile terminology.
- Participant will be able to crate product-backlog, task, epic, story in JIRA and Trello.
- Participant will be able to generate the report for the project in Trello.

Feedback analysis:

- Class-wise Feedback analysis: SE/TE/BE

Have you attended session?

47 responses

Did you able to analyse the problem?

47 responses

Did you able to create, select and apply appropriate techniques, resources using modern IT tools ?

47 responses

Did you enjoy working in a team?

47 responses

Were you able to communicate effectively in the team ?

47 responses

Were you able to portary the assigned role (Scrum Master, PO, etc)?

47 responses

Do you want more such workshops / sessions to enhance your skills towards professional development?

47 responses

Write the name of topic on which you would like to attend session.

47 responses

Execution:

An online workshop on “Project Management Tools – JIRA and Trello” started at 9.30 am and completed at 12.50 pm successfully. The topics covered in the session are as follows.

| Sr. No. | Topic Names |
|----------------|--|
| 1. | Introduction and welcome by Mr. Sachin Pande Sir |
| 2. | What is Project Management Tool and why it is used? |
| 3. | Overview of Agile methodology |
| 4. | Scrum: Roles, Product Owner, Scrum Master, |
| 5. | Scrum artifacts |
| 6. | Introduction to JIRA |
| 7. | Features of JIRA |
| 8. | Creating Team, Epic, Story, Tasks, Subtasks. Adding team members and distributing work |
| 9. | JIRA dashboard, Burndown chart |
| 10. | Generating Report |
| 11. | Overview of Trello |
| 12. | Creating project, team, epic, stories, tasks, subtasks |
| 13. | Generating the report in Trello |
| 14. | Hands-on |

Impact analysis

The participants will be able to

- To create the product backlog for the project.
- To conduct daily scrum, to create scrum artifacts.
- To create epic, story, task and subtask in JIRA and Trello.
- To generate report in Trello.

Recording and resource material are shared over google groups and PDA WhatsApp Group and drive.

Quizzes taken in the Workshop (Snapshots):

Introduction

The Professional Development Activities Committee (PDA) is organised for SE, TE and BE students of Information Technology by the Information Technology Department. PICT.

The primary goal of PDA is to contribute towards a student's overall growth and making the student a competent professional. Competitive coding, puzzle solving, logic development, aptitude questions solving, views sharing, resume writing are some wings of PDA that cater to students of SE, TE and BE.

PDA Progress Reports , explains its goals, the methodology PDA works with and the results of the sessions with feedback from the students.

PDA is always keen to communicate with students and getting to know their current needs. All PDA sessions are arranged according to student's needs and their requests. The process behind any PDA session is as follows:

1. Identifying students needs
2. Coming up with solutions and sessions that can be arranged for the students to strengthen their abilities.
3. Arranging the sessions.
4. Taking feedback from students.
5. Improving the sessions as per the feedback.

Staying relevant and up-to date with the audience of PDA has always been PDA's main goal. PDA always tries to keep the process and sessions transparent and concise. This report covers all the session's information and feedback and general working of PDA with a case study.

Information about the committee

This section is an opportunity to demonstrate how top management is taking the lead and giving direction to your NFP's sustainability efforts.

ORGANIZED BY:

MR. SACHIN PANDE,

HEAD OF PROFESSIONAL DEVELOPMENT ACTIVITIES (PDA) COMMITTEE,

MRS. ANURADHA YENKIKAR, MEMBER OF PDA

MS NEHALI SHINDE, MEMBER OF PDA

DEPARTMENT OF INFORMATION TECHNOLOGY, PUNE INSTITUTE OF COMPUTER TECHNOLOGY, PUNE.

Objectives:

1. To develop problem solving, critical thinking and programming skills.
2. To prepare students for competitive coding for placements by rigorous practice.
3. To enhance professional skills for individuals' growth
4. To motivate students for higher studies, top placement opportunities and competitive examinations

Outcome: Student's will be able to -

1. To improve professional skills like problem solving, critical thinking and programming skills and pre- and post-interviewing skills.
2. To get motivated for higher studies, top placement opportunities, top internship opportunities, hackathons and competitive examinations

Mode of conduction: Online.

Fees: No fees for attendees.

View Sharing Sessions

Listening seniors can help you improve the skills you will need either in academics or need to adopt in order to be successful in college. Senior Talks can teach you about how to think critically about new or difficult information which is a skill that will benefit you almost immediately. Listening to experts present can also help you grow as a leader by providing you with advice about how to lead others and yourself with confidence.

Additionally, other's experiences can help you get a head start in learning how to think, act, and approach a difficult or uncertain situation in a professional and mature way. This skill will be very important to rely on in college and will help to maximize your academic and personal experience in college.

“

Other's experiences can help you get a head start in learning how to think, act, and approach a difficult or uncertain situation in a professional and mature way.

View Sharing Sessions

Peer learning and experience learning are considered as the best practices for learning new skills and sharpen the old ones. Every year, there are students in PICT who get placed in their dream companies, get selected in top universities and crack exams with record breaking ranks. PDA committee always keeps an eye on these students and makes their experiences and views available to the path followers. It is observed that students get benefited from these sessions to a great extent. And the students who give the sessions are always eager to share their journey with fellow students. Students talk about what worked for them and what went wrong and both views are equally important for progress.

Brief of view sharing session this year :

| Session | Speakers | Agenda |
|--|--|--|
| View Sharing session of students placed in PhonePe. | 1. Ajinkya Kharosekar (Comp) 2. Atharva Kulkarni (EnTC) | <ul style="list-style-type: none">• 1. How to crack the interview process?• 2. Their journey toward Competitive coding• 3. Views on the importance of Programming |
| View Sharing session of students placed in Deutsche Bank. | 1. Shashank Kapadnis (IT) 2. Yadnesh Desale (CS) 3. Manav Majithia (EnTC) 4. Neha Nemade (EnTC) | <ul style="list-style-type: none">• 1. Competitive Coding

Why competitive coding ? What does it achieve and how to improve this skill ? PDA has all the answers.

Feature Points

- **Problems are selected carefully according to difficulty level.**
- **Problems need logical reasoning to solve.**
- **Puzzle solving becomes a part of problem solving.**
- **Coding skills are improved day by day.**
- **Speed of coding is improved.**
- **Students get familiar with different types of problems.**

**Everyday coding, Puzzle solving,
Logic development and Speed
coding.. 4 birds in one stone.**

Details

Days : Mondays and Wednesdays
Time : 8:00 PM onwards
Participants : SE and TE

web. www.hackerrank.com

Competitive Coding

Just coding is not considered a skill today. A programmer is considered good if he/she is good with competitive coding.

Platform : Hackerrank

Nature of the sessions :

The competitive coding sessions are conducted Twice in a week. Mondays and Wednesdays.

Problems per session : 1 or 2

Time : 8:00 PM onwards

Description :

A contest is created on the Hackerrank platform, consisting either one or two problems. The contest is made open for students at 8 PM by providing them the contest link. Students solve the problems and submit on the platform. The Hackerrank platform creates a ranking list based on the time taken by students to solve the problems. The statistics of the contests are published every Saturday.

“

- 1. Hackerrank Platform**
- 2. Twice a Week**
- 3. Competition amongst peers**
- 4. Ranks are published every week**

Sam's house has an apple tree and an orange tree that yield an abundance of fruit. Using the information given below, determine the number of apples and oranges that land on Sam's house.

In the diagram below:

- The red region denotes the house, where s is the start point, and t is the endpoint. The apple tree is to the left of the house, and the orange tree is to its right.
- Assume the trees are located on a single point, where the apple tree is at point a , and the orange tree is at point b .
- When a fruit falls from its tree, it lands d units of distance from its tree of origin along the x -axis. *A negative value of d means the fruit fell d units to the tree's left, and a positive value of d means it falls d units to the tree's right. *

Given the value of d for m apples and n oranges, determine how many apples and oranges will fall on Sam's house (i.e., in the inclusive range $[s, t]$)?

For example, Sam's house is between $s = 7$ and $t = 10$. The apple tree is located at $a = 4$ and the orange at $b = 12$. There are $m = 3$ apples and $n = 3$ oranges. Apples are thrown $apples = [2, 3, -4]$ units distance from a , and $oranges = [3, -2, -4]$ units distance. Adding each apple distance to the position of the tree, they land at $[4 + 2, 4 + 3, 4 + -4] = [6, 7, 0]$. Oranges land at $[12 + 3, 12 + -2, 12 + -4] = [15, 10, 8]$. One apple and two oranges land in the inclusive range $7 - 10$ so we print

Aptitude Tests

Practising aptitude can develop and improve:

1. Logical and Analytical thinking.
2. Prediction and Observation power.
3. Memory, Concentration and Calculations.
4. Power to take logical decision on time.
5. Common sense and presence of mind.
6. IQ, EQ and SQ.
7. Better understand things in surrounding environment,
8. Assess the situation better.

“

**Learn How To
Think, Solve
and Apply.**

Working methodology :

Instead of giving preexisting aptitude test to students for solving, Aptitude Tests are designed by PDA committee for every session.

This helps to better understand the area where students are strong and weak on average.

This also helps to change the tests according to students needs.

Students were also provided with solutions of Aptitude tests and the methods to solve the questions.

Sample Aptitude Test

17/10/2022, 11:44

PDA Aptitude Test 1 - 23rd September 2022

PDA Aptitude Test 1 - 23rd September 2022

Professional Development Activity! - Aptitude

It's just not about coding.. At the time of placements, they test you on various grounds. One of which is **Quantitative Aptitude**. So to make you familiar with different kind of aptitude questions that you have to solve during placements.. here is simple, small test. Try to answer each and every question. Many of these questions have been asked in aptitude tests of companies like Google, Facebook and Barclays etc. Apart from placement, these tests will also help you in exams of higher studies like GATE, GRE etc. And please give us the feedback so we can improve our sessions to serve you better and better. Every Friday we will have similar aptitude tests. Try not to miss the tests as they prepare you for placements.

Date : 23rd September 2022
Time : 9 pm to 10 pm
Class : SE and TE

* Required

1. Name of the Student *

2. A spherical ball of lead, 3 cm in diameter is melted and recast into three spherical balls. The diameter of two of these is 1.5 cm and 2 cm respectively. The diameter of the third ball is 1 point

Mark only one oval.

- 3 cm
 2.66 cm
 2.5 cm
 5 cm

Sample Aptitude Test

17/10/2022, 11:44

PDA Aptitude Test 1 - 23rd September 2022

12. The product of two consecutive odd numbers is 4623. Which is the greater of the two numbers? * 1 point

Mark only one oval.

- A. 66
 B. 69
 C. 68
 D. 67

13. Shankar is 5 years younger than Ron. Four years later, Ron will be twice as old as Aaron. Find Shankar's present age. * 1 point

Mark only one oval.

- A. 1
 B. 2
 C. 5
 D. 4

14. In a lottery, there are 10 prizes and 25 blanks. A lottery is drawn at random. What is the probability of getting a prize? * 1 point

Mark only one oval.

- A. 1/10
 B. 2/5
 C. 2/7
 D. 5/7

Sample Aptitude Test

17/10/2022, 11:44

PDA Aptitude Test 1 - 23rd September 2022

3. An aeroplane covers a certain distance at a speed of 240 kmph in 5 hours. To cover the same distance in $1\frac{2}{3}$ hours, it must travel at a speed of? * 1 point

Mark only one oval.

- A. 300 kmph
 B. 360 kmph
 C. 600 kmph
 D. 720 kmph

4. Two trains starting at the same time from 2 stations 132 km apart and going in opposite direction cross each other at a distance of 110 km from one of the stations. What is the ratio of their speeds? * 1 point

Mark only one oval.

- A. 11:9
 B. 7:3
 C. 18:4
 D. None of these

5. The speed of a car increases by 2 kms after every one hour. If the distance travelling in the first one hour was 35 kms. what was the total distance travelled in 12 hours? * 1 point

Mark only one oval.

- A. 456 km
 B. 482 km
 C. 558 km
 D. 552 km

| Vaishnavi deshमुख | 19 / 20 |
| Srushti Kulkarni | 19 / 20 |
| Atharva Meshram | 19 / 20 |
| Bhushan Patil | 19 / 20 |
| Nimish Mishra | 19 / 20 |
| AADITYA ALSATWAR | 19 / 20 |

Feedback

To improve as a PDA committee and serve the students better, it is important for us to learn from our mistakes. That's why feedback from each session is taken and analysed.

Here are some snippets of the feedback from the Hackerrank contest and aptitude test

“

Great questions, Increase level of hardness as this tests goes on

-says i2k20103166@ms.pict.edu

“

Yes Take Test Series on Aptitude, Critical Reasoning and logical reasoning too on daily basis if possible

-says harshvardhanp01@gmail.com

Feedback

PDA committee takes feedback for each of the sessions and There was a question to evaluate the need of PDA activity in the feedback form. We are glad that every student who has filled the feedback has marked that "PDA weekly contest is helpful". Here is a screen-shot for the reference.

Feedback

There are critics who help us to better ourselves. Feedback from critics is as important as positive feedback. We read, consider every feedback and propose an action plan for the future. Some actions we took according to feedback are given below:

Feedback

Conduct it every week

Action taken

We started taking PDA contests weekly .

Feedback

A bit more tough questions.

Action taken

The difficulty of questions were increased

Feedback

Need Quants and logical reasoning

Action taken

Quant and logical reasoning questions were added in the tests taken

Whats next

Considering overall feedback and student's needs, we plan to include following in the next academic semester (AY 2022-23 Sem II):

1. Schedule PDA in weekly timetable of the department
2. Include HR/Interview Skills sessions
3. Include English Aptitude tests for higher studies (GRE)
4. Increase the number of view sharing sessions
5. Provide solution sessions for tests.
6. Take help of alumni of PICT for some sessions.

PDA Feedback Aptitude

We want to improve and we want to learn from you. So if you have any complaint, any suggestions for improvement of weekly contest, if you would like us to provide solutions next or take any classes/ courses for you... if you have anything to say,, please fill the following feedback form.- PDA team

Feedback by companies on PICT students

We also take feedback from companies that visit PICT on the students who give the tests for those companies. This helps us to understand if the students are improving and if they are then in which area. Also, which areas need improvement become clear so it helps us to decide focus for next tests.

Kindly see the following pages for the feedback from companies on students.

| 4. | Areas wherein the training programs be conducted to improve the employability of our students | - Industry/domain eg. finance - Problem solving exercises cloud, cyber security. | | | | |
| 5. | Any other remark to bridge Industry Institute gap | More project work, based on real life scenarios OR Industry Internships | | | | |

- Really great co-ordination and assistance provided by the placement team.
- We appreciate the efforts taken by the college to develop the students on technical as well as soft-skills.
